1) Applicant Type

If you are an individual or a sole proprietor\*, select Individual as the applicant type. If you are a corporation (incorporated business), select Corporation as the applicant type. If you are a registered business partnership, select partnership as the applicant type.

\*A sole proprietorship is an unincorporated business that is owned by one individual; and a sole proprietor pays taxes by reporting income (or loss) on a T1 income tax and benefit return.

2) Home/Farm Location

Provide the Legal Land Description of the home/farm that the operation is based out of i.e. NW-1-1-1-W1.

3) Consent to be Contacted Electronically

Successful applicants who receive funding from PWCP will be issued an AGR-1 Statement of Farm-Support Payments slip by the Manitoba Association of Watersheds (MAW). Applicants can indicate if they wish to receive the AGR-1 slip by email on Page 1. By selecting yes, you are giving MAW consent to send the AGR-1 Statement of Farm-Support Payments slip to you electronically via email. The email you provide will not be used for any other purposes.

4) Social Insurance Number

If you are applying as an individual/sole proprietor, MAW will require your Social Insurance Number to issue the AGR-1 Statement of Farm-Support Payments slip, and for the purposes of tax reporting to the Canada Revenue Agency.

5) Business Number

If you are applying as a corporation or partnership, MAW will require your business number to issue the AGR-1 Statement of Farm-Support Payments slip, and for the purposes of tax reporting to the Canada Revenue Agency (CRA). A CRA program account number has three parts:

- a) The nine-digit Business Number to identify the business.
b) A two-letter program identifier code to identify the program account.
c) A four-digit reference number to identify an individual program account (since businesses can have more than one of the same kind).

Select which groups you identify with or select 'I decline to identify' if you wish to decline.

- 2) Reimbursements made by MAW pursuant to this application will be considered "farm support payments" as per subject 234(2) of the Income Tax Act (Canada), and accordingly must be reported on the relevant income tax return as income from a farm business and subject to tax;

Appendix A – Historical Nitrogen Rate Usage Reporting

This document must be completed by applicants who are applying for Soil Testing; Soil Mapping; and/or Upgrades to Seeder Equipment, and do not have an accompanying practice. The purpose of this document is to collect the historical nitrogen fertilizer rate usages for applicants/operations that are applying for one of the aforementioned PWCP-funded practices.

The applicant must report how much nitrogen fertilizer was applied on acres (only acres where this piece of equipment was utilized) before the equipment upgrade; and how much nitrogen fertilizer is being used after the upgrade on those **same** acres.

**Upgrades to Seeder Equipment**

| Nitrogen Fertilizer Rate Usage Before Upgrade |   |                  |
