**Project Funding/Cost – Sharing/Incentives:**

**\*\*Variable rates are based on available funds and applicants for the year\*\***

The Landowner Shall:

- **Allow consent of entry onto property for purposes of the project;**
- **Willing to complete an Environmental Farm Plan (EFP) through Ag Action Manitoba;**
- Provide access for inspection, evaluation, or further construction of the project by the District at any reasonable or future time;
- Not alter, change, remove or modify the project without written consent of the District;
- Ensure agricultural use and practices do not alter or effect the integrity of the project by ensuring that permanent forage in drain and buffer remain.
- Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project, and;
- Grant the District the right to use any information related to this project for educational or promotional purposes.

The District Shall:

- Reserve the right to reasonable access to project areas for tours, educational purposes or to inspect the condition of the project site at any time following completion of the project.
