## Terms and Conditions

### Objective:

1. To provide young tree seedlings for small and large plantings in areas that will produce environmental benefits.
2. Provide young tree seedlings as per cost schedule in the order form for community trees.
3. The landowner is responsible for preparing the site, planting the trees, and all maintenance of trees and site.

### General Information:

1. Order forms are due by Monday, February 10<sup>th</sup>, 2025, with pick-up of the trees for planting in the spring.
2. **Cash, cheque (payable to Swan Lake Watershed District) or e-transfer to administrator@slwd.ca is accepted.**
3. No change in orders or refunds are considered after the deadline of February 10<sup>th</sup>, 2025.
4. Pricing is subject to change after February 10<sup>th</sup>, 2025 deadline, including mail and email orders.
5. **Full payment must accompany the order form.**
6. Tree seedlings are expected to arrive between May 1 – May 30, with subject to delivery delay. Seedling pick-up will be determined by the SLWD and all persons will be notified as soon as possible.
7. All seedlings must be picked up at the SLWD (559-4<sup>th</sup> Ave N. in Swan River) during the hours of operation (Monday-Friday 8:30AM-12:00PM; 1:00PM-4:30PM).
8. Any seedlings purchased and not picked up in a timely manner, the SLWD is not responsible for the conditions of the seedlings. No refunds will be issued.
9. Review all tree species carefully and understand the environments that they can be planted in. Information can be found on [www.swanlakewatershed.ca](http://www.swanlakewatershed.ca) or by contacting the office for a list of tree descriptions.
10. **Swan Lake Watershed District does not provide warranty stock.**
11. Due to the nature of the nursery business, there may be instances where the SLWD is unable to supply the order requested. In these instances, the purchaser can either take a substitution of stock of equal value or refund.
12. The SLWD is not liable for any direct or indirect, special incidental or consequential damages incurred or claimed by the purchaser.
13. Extra trees may be available for purchase; however, there will be limited quantity on a first-come-first-serve basis.
14. Purchasers will indemnify and save harmless the SLWD, their agents, engineers, servants and/or employees from any liability that may result from this project.
15. Tree seedlings are 6-36", with bare root, plug, or container, in height at the time of delivery, depending on species.
16. **In Section 5, it is recommended to plant one of each species of the same Genus for cross pollination reasons.**
17. SLWD reserves the right for reasonable access to the project site for inspection and to promote the program.
18. Machines for tree planting and plastic mulch application are available for rental. Contact SLWD staff for details.
